The Online Application

1. Eligibility Criteria

To get started please answer the following eligibility questions:

- Are you a professional in New South Wales, Australia, in the health (mental health or child and family health), disability or education (servicing students enrolled in support classes for intellectual disability or autism) sectors? Yes/no
- Do you currently have an intention to support children with intellectual disability or autism in your workplace?
- Are you available to attend the training and accreditation dates (below)? Yes/no
- Do you have the capacity to deliver the Stepping Stones Triple P, to parents in 2021 and complete all pre and post surveys required? Yes/no
- Does your manager support your commitment to the training, accreditation, and subsequent delivery of Triple P in your workplace? Yes/no

2. Personal and Workplace Details:

- Name
- Job title
- Qualifications
- Where you work: city, state
- Preferred email address:
- Best contact number:
- Main Workplace name:
- Type of workplace: CAMHS/school/ community health setting /other (please specify)
- Have you completed any previous Triple P provider training? Yes/no
- Please list any previous Triple P Provider Training Courses that you have completed.

3. Selection Criteria

A number of key criteria will be used to assess the merit of applications. Your online application needs to address the following criteria with your selected delivery mode (seminar or primary care) in mind (in less than 250 words per item):

- 1) Please outline your commitment to delivering Stepping Stones Triple P as an intervention for parents of children with an intellectual disability and/or autism (250 words max);
- 2) Please explain how the scholarship will enable children with intellectual disability and/or autism within your community to access evidence-based social, emotional and behavioural intervention (250 words max);
- 3) Please describe how you will sustain the Stepping Stones Triple P Program as a service in your area following your completion of the training (250 words max).

4. Supporting Documentation

- Please upload your curriculum vitae (maximum 4 pages) outlining your employment history, specific training and experience working with children and their families, mental health and disability.
- Please upload of a brief letter from your Team Leader or Manager, outlining your current position and in support of your: (1) application, (2) completion of the Stepping Stones intervention training and accreditation, and (3) intention to deliver the program in 2021.
- Do you have any other comments about your application?
